For an Editor to Recommend Pat-tent Medicines?

From Sylvan Valley News, Brevard,

It may be a question whether the editor of a newspaper has the right to publicly recommend any of the various proprie ary medicines which flood the narket, yet as a preventive of suffering we feel it a duty to say a good word for Chemberlain's Colic, Cholers and Disr-rhoea Remedy. We have known and used this medicine in our family for used this medicine in our family for twenty years and have always found it tours for the summer and early autumn. eliable. In many cases a dose of this remedy would save hours of soffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do beieve that if a bottle of Chamberlein's Diarrhoea Remedy were kept on hand and administered at the inception of an ttack much suffering might be avoided and in very many cases the presence of a physician would not be required.
